## WKF WORLD RANKING RULES

### 1. General Regulations

- 1.1 These rules regulate general policy, the calculation method and administration of the WKF World Ranking.
- 1.2 Modification of the WKF World Ranking Rules shall be approved by the WKF EC via a proposal from the WKF World Ranking Commission to the WKF President.

### 2. WKF World Ranking

- 2.1 The WKF World Ranking indicates the position of athletes according to the points obtained at WKF Official Events and is applicable only to the individual categories defined in **SECTION 1** – Article 4. The point system for each discipline is defined under **SECTION 1** – Article 2 & Article 3.

#### **2.2. WKF Official Events**

WKF Official Events are published on the WKF Official Sports Activities Calendar on a yearly basis; a document, which is approved by the WKF EC and available on the [WKF website](#). The different events that count for ranking purposes are specified under **SECTION 1** – Article 1.

Should a WKF Official Event (e.g. Continental Championships) decide to change its dates once the WKF Official Sports Activities Calendar has been approved by the WKF EC and the new dates enter into conflict with any other event that is already approved and published on the WKF Official Sport Activities Calendar, then the points obtained by athletes at this event will not count for ranking purposes and the Official Event may be removed from the WKF Official Sports Activities Calendar.

### 3. WKF Standings for Specific Events

#### **3.1 Standing**

This is defined as a specific ranking indicating the position of an athlete according to specific events within a defined period (e.g. a qualification period).

### 3.2 Olympic Standing

The Olympic Standing is determined by the Qualification System in force for each Olympic event where Karate is taking place (e.g. the Tokyo 2020 Olympic Games). The Olympic Standing is updated of the first day of each month during the qualification period.

### 3.3 Karate 1 – Premier League Standing

For the Karate 1 Premier League Standing, the applicable criteria are as follows:

- (1) All points from all Premier League Events count towards the Karate 1 Premier League Standing, starting from 0 at the beginning of each season.
- (2) The Karate 1 Premier League season starts each calendar year with the first event after 1<sup>st</sup> January and finishes with the last event before 31<sup>st</sup> December of the same calendar year.
- (3) After the final Karate 1 Premier League Event of a season has concluded, those competitors ranked 1<sup>st</sup> on the Karate 1 Premier League Standing, in each individual category, will be pronounced the Grand Winners, providing they have participated in at least four events held in two different continents during the season.
- (4) Points decay will be as indicated in **SECTION 1** – Article 1.
- (5) Should there remain a tie and a position in the Karate 1 Premier League Standing is still to be determined, then the following criteria will be applicable (with reference to the current season):
  - Highest number of Premier Leagues won. If still tied, then:
    - Highest number of Silver Medals
    - Highest number of Bronze Medals
  - Total number of bouts won
  - Greatest point difference between points scored in favor and points scored against
  - Highest number of points in favor
  - Least number of points against

### 3. Points Calculating System

#### 3.1. Kumite

a. Participation:	5 per event
b. Bout(s) won:	10 per bout won
c. Place:	As defined in Article 2.1
<b>d. Total points per event:</b>	<b><u>(a+b+c) × Event Factor</u></b>

For example, the points obtained by an athlete who has achieved 3<sup>rd</sup> place at the World Championships after winning 5 bouts:

(Participation	+ Bout(s) won	+Place)	x Event Factor	= Total Points
(5	+ (5 x 10)	+40)	x 12	= 1140 points

*NOTE: A bye will not be considered as a bout won, with the exception of that stated under **SECTION 1** – Article 2.1, Notes.*

#### 3.2. Kata

a. Participation:	5 per event
b. Round(s) won*:	10 per round progression
c. Medal winners	10 per medal winner
d. Place:	As defined in Article 2.2
<b>e. Total points per event:</b>	<b><u>(a+b+c) × Event Factor</u></b>

For example, the points obtained by an athlete who has achieved 3<sup>rd</sup> place at the World Championships (based on a competition with 64 athletes):

(Participation	+ Rounds(s) won	Medal Winner	+Place)	x Event Factor	= Total Points
(5	+ (3 x 10)	+10	+40)	x 12	= 1020 points

*\*NOTE: A round refers to each stage of competition before the Medal Round.*

## 4. Age and Weight Categories

An athlete's age is defined by the first day of competition of an entire event.

The different weight categories across age categories are as follows:

Individual Categories							
<b>Senior (Age: Kata+16/Kumite+18)</b>				<b>U21 (Age: 18/19/20)</b>			
Individual Kata		Individual Kumite		Individual Kata		Individual Kumite	
Male	Female	Male	Female	Male	Female	Male	Female
		-60kg	-50kg			-60kg	-50kg
		-67kg	-55kg			-67kg	-55kg
		-75kg	-61kg			-75kg	-61kg
		-84kg	-68kg			-84kg	-68kg
		+84kg	+68kg			+84kg	+68kg
<b>Junior (Age: 16/17)</b>				<b>Cadet (Age 14/15)</b>			
Individual Kata		Individual Kumite		Individual Kata		Individual Kumite	
Male	Female	Male	Female	Male	Female	Male	Female
		-55kg	-48kg			-52kg	-47kg
		-61kg	-53kg			-57kg	-54kg
		-68kg	-59kg			-63kg	+54kg
		-76kg	+59kg			-70kg	
		+76kg				+70kg	

## 5. Change of Age Category

### 5.1. Kumite

#### Junior to Senior

When an athlete changes age category from Junior Kumite to Senior Kumite, 50% of those points obtained in the Junior category of the WKF World Ranking will be dragged into the Senior category of WKF World Ranking. This will occur on the first day of the month **after** the athlete has turned 18 years old.

These dragged points will remain on the athlete's profile for one year, at which point all points dragged from the Junior category into the Senior category of the WKF World Ranking will be erased from the athlete's profile.

## WKF – World Ranking Rules

The system drags these points automatically across from Junior to Senior, reallocating them as follows:

MALE CATEGORIES		FEMALE CATEGORIES	
Junior	Senior	Junior	Senior
-55kg		-48 kg	-50 kg
-61kg	-60 kg	-53 kg	-55 kg
-68 kg	-67 kg	-59 kg	-61 kg
-76 kg	-75 kg	+59 kg	-68 kg
+76 kg	-84 kg	Manual request	+68 kg
Manual request	+84 kg		

### Cadet to Junior\*

When an athlete changes age category from Cadet Kumite to Junior Kumite, 50% of those points obtained in the Cadet category of the WKF World Ranking will be dragged into the Junior category of WKF World Ranking. This will occur on the first day of the month **after** the athlete has turned 16 years old.

These dragged points will remain on the athlete's profile for one year, at which point all points dragged from the Cadet category into the Junior category of the WKF World Ranking will be erased from the athlete's profile.

The system drags these points across automatically from Cadet to Junior, reallocating them as follows:

MALE CATEGORIES		FEMALE CATEGORIES	
Cadet	Junior	Cadet	Junior
-52kg	-55 kg	-47 kg	-48 kg
-57 kg	-61 kg	-54 kg	-53 kg
-63 kg	-68 kg	+54 kg	-59 kg
-70 kg	-76 kg	Manual request	+59 kg
+70 kg	+76 kg		

In either of these two cases, if an athlete has competed in two different Junior or Cadet weight categories, the transition of 50% of the points will be done category by category. For example:

## WKF – World Ranking Rules

- 500 points obtained in Male Junior -61 kg → 250 points in Male Senior -60 kg
- 250 points obtained in Male Junior -68 kg → 125 points in Male Senior -67 kg
  
- 300 points obtained in Female Cadet -47kg → 150 points in Female Junior -48 kg
- 75 points obtained in Female Cadet -54kg → 35.7 points in Female Junior -53 kg

If after the automatic transition, specific changes to weight categories are required, the National Federation to which the athlete belongs can proceed with an official request addressed to [wkf@wkf.net](mailto:wkf@wkf.net). In these cases, points will only be updated in the system on the first day of the month after the request has been received.

### 5.2. **Kata**

#### Cadet to Senior

When an athlete changes age category from Kata Cadet to Kata Senior, 50% of those points obtained in the Cadet category of the WKF World Ranking will be dragged into the Senior category of the WKF World Ranking. This will occur on the first day of the month **after** the athlete has turned 16 years old.

These dragged points will remain on the athlete's profile for one year, at which point all points dragged from the Cadet category into the Senior category of the WKF World Ranking will be erased from the athlete's profile.

#### Cadet to Junior\*

When an athlete changes age category from Kata Cadet to Kata Junior, 50% of those points obtained in the Cadet category of the WKF World Ranking will be dragged into the Junior category of the WKF World Ranking. This will occur on the first day of the month **after** the athlete has turned 16 years old.

These dragged points will remain on the athlete's profile for one year, at which point all points dragged from the Cadet category into the Junior category of the WKF World Ranking will be erased from the athlete's profile.

*\*NOTE – Points transition in these categories was introduced from 2<sup>nd</sup> March 2020.*

## 6. Nationality

Nationality changes or changes to an athlete's representative NF are subject to the corresponding clauses in the WKF Organising Rules. In the event that an athlete changes nationality or NF, according to the regulations in force, all points from the applicable WKF World Ranking category will be transferred to the athlete's new nationality.

However, if when an athlete changes nationality, this change is from one different continent to another, points will be transferred to the athlete's new nationality, with the exception of any points awarded at continental competitions of the athlete's previous nationality. These will be removed from the total number of points on the athlete's new profile.

## 7. Continental Championships

At Continental Championships, National Federations will be limited to the points of one competitor per category counting towards the WKF World Ranking and any applicable Standing in force at the time. National Federations will be required to indicate the name of this competitor during the registration phase, prior to the event, and confirmation of all a country's registrations may be withheld until the names of each competitor per category scoring in the WKF Ranking and any applicable Standing have been duly communicated.

## 8. Maternity

Any athlete who becomes pregnant can request their ranking points to be frozen for a maximum period of 15 months. In order to implement this freeze, the National Federation must send written confirmation to the WKF, along with a medical certificate, confirming that the athlete will now cease competition due to pregnancy. Points will be frozen according to the WKF Ranking on the 1<sup>st</sup> of the month following the date of the received request. They will be frozen for a maximum of 15 months – of which a maximum of 6 can be after the birth. If an athlete wishes to return to competition before the end of this 15-month period, the National Federation must send written confirmation of this, two months prior to the athlete's first event back. In accordance with the above, points will be unfrozen on the first of the month following their first event back or on the first of the month following the completion of this 15-month maternity period.

## 9. Other General Rules

9.1. Athletes will appear in the WKF World Ranking only when they have received points in at least one WKF Official Event.

### 9.2. **Continuity of competitors in the WKF World Ranking**

Athletes, who do not participate in a WKF Official Event for two consecutive years will be removed from the WKF World Ranking.

Athletes will be removed from the Cadet, Junior and U21 Rankings on the first day of the month following the applicable birthday (16<sup>th</sup>, 18<sup>th</sup> and 21<sup>st</sup>).

In the event of an athlete needing proof of WKF World Ranking status on a specific date (within the two years preceding the request), a written request should be sent to the WKF.

9.3. Points will be awarded to athletes **ONLY ONCE PER EVENT AND CATEGORY**, in the WKF World Ranking category in which the athlete has competed respectively. A competitor can compete in two different age categories, for example, U21 and Senior, but this athlete will have a separate WKF World Ranking for each age category. The same principle applies to weight categories.

9.4. For those U21 athletes also competing at Senior events, points obtained at any Senior event (Karate 1 as well as Continental and World Championships) will be included in the Senior WKF World Ranking of the athlete.

### 9.5. **Athletes with Two Different WKF IDs**

Should an athlete be registered at a competition with a different WKF ID from the one already assigned to the athlete in the WKF World Ranking, the points obtained at the given competition will be assigned to the WKF ID that the athlete has competed under according to **SECTION 1** – Article 5.3 above.

As a result, the athlete will have points divided under two different WKF IDs, having been obtained at different competitions. If the athlete wishes to merge the points into the same profile, an online request can be made by clicking on the following banner:

*IMPORTANT NOTE: merged profiles will not be considered for qualification purposes or event registration (e.g. the Premier League) until the new release of the World Ranking (and Olympic Standing) on the first day of the month following the merger request.*

## 10. COVID-19

Following the outbreak of COVID-19 and given an expected and significant period of inactivity from the last event to take place (Salzburg Premier League, 28 Feb – 1 Mar 2020) until activity can restart again, the following WKF Rankings have been frozen from 2<sup>nd</sup> March 2020 until the first of the month following the first event back: Senior, Junior and Cadet.

In addition, the following changes have been made to the point transition process:

### Kumite Junior to Senior transitions

50% of a Junior athlete's frozen points as per 2<sup>nd</sup> March 2020 are transitioned on first of the month following the athlete's 18<sup>th</sup> birthday. Transition points will remain on the athlete's Senior profile for 1 year following the restart of activity.

### Kumite Cadet to Junior transitions

50% of a Cadet athlete's frozen points as per 2<sup>nd</sup> March 2020 are transitioned on first of the month following the athlete's 16<sup>th</sup> birthday. Transition points will remain on the athlete's Junior profile for 1 year following the restart of activity.

### Kata Cadet to Senior transitions

50% of a Cadet athlete's frozen points as per 2<sup>nd</sup> March 2020 are transitioned on first of the month following the athlete's 16<sup>th</sup> birthday. Transition points will remain on the athlete's Senior profile for 1 year following the restart of activity.

### Kata Cadet to Junior transitions

50% of a Cadet athlete's frozen points as per 2<sup>nd</sup> March 2020 are transitioned on first of the month following the athlete's 16<sup>th</sup> birthday. Transition points will remain on the athlete's Junior profile for 1 year following the restart of activity.

### 1.8. Continental Representation (Qualification System)

When Continental Games (CG) are used for qualification, all gold medalists in the CG will be first considered. The quota will be allocated to the highest ranked gold medalist in the Olympic Standing as long as there is still an available place in their corresponding Olympic category, always respecting the maximum of one representative per NOC, per category. Should all gold medalists have already qualified during the qualification period, the same procedure will be applied to the silver medalists – or if necessary, the bronze medalists.

To determine between the highest-ranked Kumite gold medalist and the highest-ranked Kata gold medalist, the points obtained in the Standing will not be used as criteria for resolution. The following criteria is to be applied:

- Best position in the last World Senior Championships within the qualification period.
- Best position in the last Continental Championships they have participated in within the qualification period.
- Best position in the 2019 Premier League

## WKF – World Ranking Rules

Should there still be ties present at this point, then the following criteria is to be applied (with reference to the qualification period):

- Highest number of Premier Leagues won. If still tied, then:
  - Highest number of Silver Medals
  - Highest number of Bronze Medals
- Coin Toss

When the CG are not used for qualification, a sequence of selection processes take place, continent by continent, and qualification is determined based on the Olympic Standing of the athletes from the applicable continent.

### 3. Online Display of Olympic Standings

Olympic Standings will be accessible via the WKF Ranking [webpage](#), by clicking on the appropriate banner.

For example, the Tokyo 2020 Olympic Standings can be found here:

Those athletes eligible to qualify via the Olympic Standing will be highlighted in green.

In order to differentiate the eligible athlete to qualify by Host Country from those athletes eligible to qualify by Olympic Standing, the Host Country athlete will be highlighted in grey, as follows:

STANDING	NAME	ID	COUNTRY	CONTINENT	TOTAL POINTS
1	 RYO KIYUNA	JPN261	 JAPAN (JPN)	AKF	4890
2	 DAMIAN HUGO QUINTERO CAPDEVILA	ESP173	 SPAIN (ESP)	EKF	4312.5

6	 ILJA SMORGUNER	GER430	 GERMANY (GER)	EKF	1880
7	 ISSEI SHIMBABA	JPN199	 JAPAN (JPN)	AKF	1522.5

Should an Olympic weight category merge two individual WKF weight categories for Olympic purposes, the eligible athlete to qualify by Host Country will remain in grey. The top 4 qualified athletes from other countries will be assigned to the top 2 athletes in each WKF weight category as follows, always respecting the rule of one athlete per NOC:
